## **PRESS RELEASE**

**Platform One, the UK and International wrap service has announced that TCF Investment Model Portfolios and the Total Clarity Funds for which TCF Investment is investment adviser have been added to the extensive fund resources available to advisers both in the UK and overseas.**

To meet the growing needs of advisers, wherever they are in the world, Platform One provides access to a range of third party products, which can be used alongside platform wrappers such as GIAs, ISAs, Onshore and Offshore Bonds as well as SIPP, SSASs and QROPs. Commenting on the addition of TCF Investment's product range, Head of Distribution at Platform One, Peter Collier said, "We are pleased to have developed a strong relationship with TCF. Their low cost multi-asset approach is much in demand. We will be showcasing their products via our website and through seminars so that advisers can easily access the choices available".

CEO of TCF Investment, David Norman added, "We have built a strong adviser following for our risk rated multi-asset passive solutions. The Total Clarity Funds (run on behalf of Verbatim Asset Management) offer four different risk profiles. The model portfolios provide nine different risk governed models that allow advisers to meet a wide range of customer risk profiles with investment management fees as low as 0.25%pa (plus VAT)." "We look forward to working with the Platform One team over the coming weeks and months to bring these new opportunities to advisers and planners."

## **Notes for Editors**

**Platform One** provides high quality UK and international Wrap services for top tier UK financial advisers, multiple family offices, international advisers and specialist product providers. Each of our services delivers a financially secure, high quality online investment platform, with access to sophisticated and specialist products to suit the needs of clients and their advisers.

The availability of separate UK and International services means that client' assets can be held in either the UK or Offshore as required by the client or the product they hold.

The two offshore services available from Platform One, International and Global, are designed to meet the requirements of advisers and clients in different jurisdictions and markets. The International service provides for client agreed charging with all commissions received rebated to the client. The Global service provides a commission-based platform with no adviser charges.

Platform One provides advisers and their clients with a personal service, contemporary technology and specialist products designed for sophisticated investors. Platform One is authorised and regulated by the Financial Conduct Authority, and under MiFID is passported into all 27-member states of the EEA.
